

Flume Smart Water Monitor

**SIMPLE INSTALLATION.
NO PLUMBING REQUIRED.**

- **REAL-TIME WATER USAGE**
- **SAVE WATER AND DETECT LEAKS**
- **DO-IT-YOURSELF INSTALLATION**
- **NO PLUMBING REQUIRED**

The Flume Smart Home Water Monitor features an easy-to-install sensor, Wi-Fi bridge and powerful iPhone and Android app that, together, put the power of water use monitoring and insights in your hands. To save water you must know where it's going. The Flume App provides real-time leak protection, alerts and water use information along with the ability to set monthly budgets. With the power of Flume Smart Water System, you will save water, save money and protect your entire property from leaks whether home or away.

Complete product includes everything you need to get up and running fast:

- Water Leak Sensor
- Bridge
- Bridge Power Cord
- Meter Lid Opener
- Gloves

Works with our iOS and Android App so that you can monitor your water usage anytime/anywhere.
